

## **Rivir selected as one of areas outstanding scientists and engineers for 1999**

*by Jeffrey Pearce, Propulsion directorate*

WRIGHT-PATTERSON AFB, OHIO - Dr. Richard B. Rivir of the Air Force Research Laboratory's Propulsion directorate's Turbine Engine Division has been selected by the Affiliate Societies Council of the Engineering and Science Foundation of Dayton as one of the areas outstanding engineers and scientists for 1999.

This award, presented each year as part of national Engineers and Scientists Week, recognizes both career accomplishments and significant individual contributions to the awardee's professional field.

Dr. Rivir received his award at a banquet February 18 at Sinclair Community College in Dayton, Ohio. @
